UNIVERSAL SERIES BODY TO FIT MORRIS CONTOUR 2 DRILLS

At Dutch we are constantly improving our products to solve the issues that farmers see. One of our more recent products is a new Universal Series opener body to fit Morris Contour 2 (Part Number 4135).

This is the first aftermarket opener to fit this drill. Our superior front angle of attack improves trash flow and ensures the most accurate seed placement possible.

Choose from all the tip options to customize this opener to your specific needs and have the flexibility to change your mind later with minimal change over cost.

GRADE 8 BOLTS, NUTS AND HOSE CLAMPS INCLUDED IN EVERY OPENER PURCHASE!
